

INGENIUM Schools

To proceed with your application, you need to register.

- **Registration:** Click on the Register button and fill in your details. Before proceeding, please read the **Data Protection Information** carefully.
- **Account Activation:** Once your registration is successful and your application is accepted by the relevant administrators of your university, you will receive a notification confirming that your account has been activated.
- **Sign In:** After activation, click on the Sign In button to access the platform.

Submitting an Application

1) **Start a New Application:**

- In the menu, go to Application → **New Application**.
- Select the university you are applying to.
- Choose the appropriate school and level (Junior or Senior).

2) **Filling Out the Application:**

- Complete the required sections.
- You can save your application and continue later if needed.

3) **Submission & Confirmation:**

- Once you submit your application, you will receive a confirmation email.
- You can view your submitted applications under Applications → My Application.

If you experience any difficulties, please contact our support team via the [Contact Us](#) page.
