

Version: 0.0**A. Identification and contact information**

1. Name of the Pathway

Answer:

2. Name of the Pathway Coordinator

Answer:

3. Email

Answer:

4. Job title / Position

Answer:

5. Department / Faculty

*Answer:*6. Partner institution(s). *Choose from the list.**Answer:*7. Academic contact(s) in partner institutions. *Name(s) and position(s).**Answer:*

8. Name of the existing degree programme the Pathway is embedded in:

Answer:

9. Study level of the Pathway

☐ **Bachelor's degree**☐ **Master's Degree**

10. Field of study

Answer:

11. Pathway type..

☐ **Full Pathway** — 25% physical mobility / 25% international learning model☐ **Modular Pathway** — several study options combining mobility and international learning☐ **Window Pathway** — a semester-based INGENIUM window☐ **Dual+ Pathway** — an existing dual degree, enriched with INGENIUM components**B. Academic design**

12. Learning outcomes the Pathway supports:

Answer:

13. Which international opportunities does your pathway offers?

☐ **International Physical Mobility**☐ **BIPs**

- ☐ **Challenged-Based activities**
- ☐ **Micro-credentials**
- ☐ **International online courses**
- ☐ **International Internships**
- ☐ **Co-supervised Thesis / Final Project**

14. Provide a concise description of the Pathway. *Include the distinctive international dimension, what makes this Pathway unique, and the key skills students will gain.*

Answer:

15. How is the pathway governed? *Briefly explain the governance model: faculty committee, programme board, Pathway Committee, appointed coordinator and supervisors or other.*

Answer:

16. Explain the programme structure. *Briefly explain how the international educational elements are structured and delivered throughout the study programme.*

Answer:

17. Specify the transversal components:

Answer:

18. Physical mobility design. *If included, please explain the semester or long-mobility options: destination(s), typical duration, format and when would it happen.*

Answer:

19. BIPs, Challenged-Based mobilities and other short physical mobility. *If included, please explain short physical mobilities options: destination(s), typical duration, format and when would they happen.*

Answer:

20. International learning design. *If included, please, explain other activities: virtual mobility, guest-delivered content, access to the common pool of courses, micro-credentials, or other forms.*

Answer:

21. Recognition and grading conversion process. *Confirm that mobility and/or international learning will be recognised in the home programme and briefly explain how.*

Answer:

22. (Dual+ Pathway only) How do the proposed INGENIUM activities complement and strengthen the existing dual-degree programme?

Answer:

23. ECTS breakdown. *For a Full Pathway: confirm the 25% physical mobility / 25% international learning split (ECTS and %). For the other three types: give the best current estimate of mobility and international-learning ECTS.*

Answer:

24. Number of places available per intake

Answer:

25. Does your Pathway involve associate partner or stakeholder involvement. *If yes, please explain, e.g. a company, NGO or public body linked to a Challenge-Based Mobility or internship component*

Answer:

C. Resources and feasibility

26. Funding sources envisaged. *E.g. Erasmus+ KA131 for long-term mobility, INGENIUM project funds for Challenge-Based Mobility, institutional co-funding.*

Answer:

27. Institutional changes required, if any. *E.g. curriculum approval, regulatory adaptation for recognition, timetabling. Note anything already in progress.*

Answer:

28. Possible risks and mitigation measures.

Answer:

29. Is this Pathway endorsed by the corresponding authorities or governing bodies at your institution?

- ☐ Yes
- ☐ Not yet, but the authorization is in the process of being obtained shortly
- ☐ No, the authorization process has not started or is delayed

30. Please confirm the endorsement.

☐ I confirm that the home institution has been informed about this programme and commits to supporting its implementation. If the endorsement has not started, I commit to acquire the corresponding authorisations and endorsements required in time.

31. Specify the name and role of the authorizing person or the name of the corresponding body.

Answer:

D. Declaration

☐ I confirm that the information in this application is accurate and reflects what was discussed during the internal staff meetings.

☐ I understand that, if selected, the Pathway design will be finalised with the academic team, the Technical Secretariat, the WP3 task team before implementation.

☐ I confirm that the institution accepts the resource, timetabling and recognition implications of this Pathway if it is selected, and commits to supporting its implementation.

29. Date and signature (Pathway Coordinator)

Answer:

Evaluation Committee record

FOR EVALUATION COMMITTEE USE ONLY

Pre-assessment by _____ — date: _____

Validation and selection by the Innovation Committee and Academic Committee — date: _____

Dimension	Score	Comments / what would strengthen it
Relevance	/ 3	
Quality	/ 4	
Impact	/ 3	
Total	/ 10	

Decision:

- ☐ **Selected**
- ☐ **Selected with recommendations** — see comments above
- ☐ **Not selected this cycle** — feedback for resubmission recorded above

Feedback communicated to the proposing team:

Answer: _____
